Short Biography

D.Sc. is a Postdoctoral Research Fellow in Chemistry. He has got his Ph.D. and D.Sc. degrees form California South University (CSU), Irvine, California, USA. Furthermore, he has double postdocs in Project Management and also in Nanochemistry and Molecular Structure Theory. His research interests are Biophysical Chemistry, Nanochemistry, Quantum Chemistry, Biomolecular and Vibrational Spectroscopy, Molecular Modeling and Structure, Theoretical, Computational and Mathematical Chemistry. Ab initio and Density Functional Methods. He has participated at more than eighty reputed international conferences, seminars, congresses, symposiums and forums around the world as yet. Also, he possesses many published articles in Science Citation Index (SCI)/International Scientific Indexing (ISI) journals. It should be noted that he has visited many universities or scientific and academic research institutes in different countries such as United States, United Kingdom, Canada, Australia, Netherlands, Belgium, Denmark, Greece, Russia, Estonia, Turkey, France, Swiss, Germany, Sweden, Italy, Spain, Portugal, Mexico, Japan, Malaysia, Thailand, Taiwan, South Korea, China, India, Qatar, United Arab Emirates, etc. as research fellow, sabbatical and volunteer researcher or visitor heretofore. He has a history of several years of teaching for college students and various disciplines and trends in different universities. Moreover, he has been a senior advisor in various industry and factories. He is expert in many computer programs and programming languages. Hitherto, he has authored more than ten books in Chemistry. Syne, he has been awarded more than six hundreds reputed international awards, prizes, scholarships and honors. Heretofore, he has multiple editorial duties in many reputed international journals. Hitherward, he is a member of more than one hundred reputed international academic-scientific-research institutes around the world. It should be noted that he is currently the President of **American International Standards Institute (AIS), Irvine, California, USA.**

Research Interests:
Biophysical Chemistry, Biomolecular Spectroscopy, Quantum Chemi

Urgent – 24 Hours Publications Package

- 24 Hours Publications
- Certificate of Publications
- Acceptance Letter
- Issue Cover Page
- Double Blind Peer reviewed report
- Free Proof reading by Experts
- FEE 200$

CULTURAL ANTHROPOLOGY
Cultural Anthropology
Cultural Anthropology publishes ethnographic writing informed by a wide array of theoretical perspectives, innovative in form and content, and focused on both traditional and emerging topics. It also welcomes essays concerned with ethnographic methods and research design in historical perspective, and with ways cultural analysis can address broader public audiences and interests.

Open-Access-Monthly-Online-Double Blind Peer Reviewed Journal
The American based Research Journal ISSN (2304-7151) is a refereed, open-access, online and monthly journal that is published by American Society for Business and Management Research. The journal endeavors to provide forum for researchers, practitioners, students, resource person and other academicians who are interested in the discussion of current and future issues and challenges impacting the field of Management and Administrative Sciences with an emphasis on boundary less efforts from all over the world. We adopt double blind peer review policy in which both authors and reviewers are kept anonymous to each other so as to maintain the high technical and quality standards as required by the researchers' community these days.
