Open-Access-Monthly-Online-Double Blind Peer Reviewed Journal

The American based Research Journal ISSN (2304-7151) is a refereed, open-access, online and monthly journal that is published by American Society for Business and Management Research. The journal endeavors to provide forum for researchers, practitioners, students, resource person and other academicians who are interested in the discussion of current and future issues and challenges impacting the field of Management and Administrative Sciences with an emphasis on boundary less efforts from all over the world. We adopt double blind peer review policy in which both authors and reviewers are kept anonymous to each other so as to maintain the high technical and quality standards as required by the researchers’ community these days.
