I. Board members welcomed the new fellows, AJ and Talea, and reviewed protocol for their attendance in Board meetings

II. Board members were reminded that a mentor a Forum attendee, Idowu, is needed and that a request for volunteers would go out soon

III. The service award subcommittee shared that the service award call has gone out, with plans to send reminders for nominations in mid and late October

IV. Forum Sponsorship
   a. The Board reviewed a new proposal for Forum sponsorship tiers. Discussion centered on how to balance promoting sponsors with attendee feedback. The proposal was approved with a recommendation to solicit feedback from past sponsors.

V. Code of Conduct Reporting and Enforcement Mechanisms
   a. Board members discussed how code of conduct violations should be handled in the future so that they are addressed as quickly and efficiently as possible. After discussing the current workflow, the Board decided that specific groups’ roles (Educopia staff, Board quorum, Board President) needed to be better articulated with more granular responsibilities fleshed out. These roles and a workflow for handling violations will be discussed at a later meeting or via e-mail.
   b. In addition to formal reporting, the Board discussed the need to have active bystander training in order to empower those involved to step in. A small group will work more on what this training will look like and who should be involved, potentially mimicking work DLF, Force 11, and ACRL DSS EDI groups have done.

VI. Educopia Values
   a. Board members discussed the recently drafted Educopia Values Statements. Overall, these were well-received, and the Board felt that they align with LPC goals and values.
   b. The Board discussed upcoming cross-community Educopia calls, the first of which will be on the Code of Conduct. The Board decided to invite a representative from the DEI Task Force to represent LPC.

VII. Community Engagement through Travel
   a. Board members added 2020 conference opportunities and discussed which to prioritize. Board members were encouraged to add information about conferences they are already attending and would be willing to promote LPC at.

VIII. Operating Reserve Proposal
   a. Melanie and Scott presented a proposal for managing the operating reserve. The Board voted in favor to adopt.

IX. Project Updates
   a. Discussion of this agenda item was tabled because of lack of time.
